- Modèle réalisable dans l'ensemble des revêtements de la collection ROCHE BOBOIS à l'exception des velours et des tissus extensibles et/ou matelassés
- Canapé « Full Relax » à mécanismes électriques indépendants avec repose-pieds dépliables, module de commande digitale ROCHE BOBOIS intégré à l'intérieur de l'accoudoir ou à l'extérieur de l'assise selon les éléments
- L'Angle Carré (réf.02) et le Grand Angle (réf.37) de la version « Dossiers Relevables » ne peuvent pas être mis en composition avec des éléments adjacents (droite et/ou gauche) ayant le mécanisme Full Relax. En effet, la proximité de ces éléments gêne l'ouverture simultanée des mécanismes.

- "Full Relax" sofa, electric independent mechanism with foldable footrest and ROCHE BOBOIS digital remote control, integrated inside the armrest or outside the seat cushion depending on the elements
- The Square Corner (ref. 02) and Large Corner (ref. 37) in the "Adjustable Backrests" version, cannot be combined with other elements (right and / or left) that include a Full Relax mechanism. The proximity of these elements will interfere with the simultaneous opening mechanisms.
- Sofas always delivered in 2 parts
