Présenté au départ en tissu Marshmallow, ce modèle est également réalisable dans les tissus suivants : Chroma, Orsetto Flex, Techno 2D (uniquement le 2D), Méridien Matelassé, Smile Flex et en cuir Cosmos. Cependant, le cuir et les tissus n' étant pas extensibles de la même façon, il est indispensable d'ajouter des coutures afin d'assurer une meilleure finition.

Originally shown in Marshmallow fabric, this model is also available in the following fabrics: Chroma, Orsetto Flex, Techno 2D (only 2D), Méridien Matelassé, Smile Flex as well as in Cosmos leather. However, since leather and fabrics are not expandable in the same way, it is necessary to add stitching to ensure a better finish.

Inicialmente presentado en tela Marshmallow, este modelo es también realizable en las telas siguientes: Chroma, Orsetto Flex, Techno 2D (solo 2D), Méridien Matelassé, Smile Flex y en la piel Cosmos. Sin embargo, como la piel y las telas no son elásticas de la misma manera, es indispensable añadir unas costuras para garantizar un mejor acabado.
